OFICIO 615/GAB-CEO/BRICS-PED/ Brasília, DF, 28<sup>th</sup> October 2018

**H.E. Guests and Participants of the Golden Chariot International Transport Award**

**REF. GOLDEN CHARIOT INTERNATIONAL TRANSPORT AWARD BRASILIA BRAZIL / BRICS-WEEK**

Your Excellence,  
Dear guests, participants and partners,

BRICS-PED, Chamber for Promotion and Economic Development of the BRICS countries, through its Chairman Mr. Antonio Aureliano below signed and the CEO Rodrigo Dora, would like to officially apologize for the delay in the annual Grand Ceremony of the Golden Chariot International Transport Award and Conference meeting. The factor of substantial changes in economic and political scenarios demanded more time for us and our sponsors to organize a Conference to be remembered as the most important Conference and Award Ceremony of the World's Transportation scene.

It will be a great honor if we can meet Your Excellency and your delegation during our joint ceremony, because of you we are organizing carefully the event, and because of you the Golden Chariot exists. To all of you who contributes to a better world, and because of the trust of Golden Chariot Award Ceremony and Conference deposited on us and we thank you for your comprehension and for the attention to our written note. The Brazilian Government is aware of our position and our ceremony delay in their most important spheres. In this way we will be attaching some very important letters, from partners and supporters, welcoming you all to come participate in this incredible series of discussions and celebrations of the relevant role transportation has in our lives. Transportation, sustainability, economy and commerce are intimately linked to our existence.

We appreciate the attention and we take the opportunity to jointly build this relationship saving the date for the dates agreed with the Brazilian Government in BRASILIA, BRAZIL. Please see the followed letter.

With best regards,  
Respectfully,

Antonio Aureliano  
Chairman of the Board

Rodrigo Dora  
Global CEO BRICS-PED
